
celebrate PLOVER

Dear Business Owner,

The Celebrate Plover Committee is finalizing plans for this year's Celebrate Plover event to be held at Lake Pacawa Park on Saturday, July 28. This fun-filled, FREE, day brings our community together to celebrate Plover's past, present, and future. Activities include a veteran's tribute, vendor market, craft show, business expo featuring Village businesses, live music, fire department water fights, a volleyball tournament, food and beverages. There are also free children's activities and a fireworks show at dusk with an amazing water display on Lake Pacawa. Celebrate Plover was attended by over 12,000 people in 2017!

We invite your support as a sponsor of Celebrate Plover 2018. Through the generosity of the Plover area business community, this event is completely funded through sponsorships and donations allowing us to provide free children's activities, entertainment and fireworks. Our budget for Celebrate Plover is \$58,000.

There are several different levels of sponsorship as detailed in the commitment form enclosed. As a sponsor, you will be supporting a family-oriented and fun-filled day, promoting the Plover community and its businesses, and contributing funds that will be used to enhance activities at Lake Pacawa Park. As part of your sponsorship, your organization will receive exposure from the media campaign and promotions surrounding the event.

All contributions are made payable to the Celebrate Plover Foundation and are fully tax deductible.

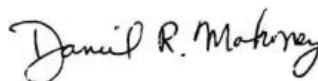

Please do not hesitate to contact either of us at 715-345-5250 with any questions that you may have, or if you wish to arrange a personal meeting with any member(s) of the Celebrate Plover Committee to discuss sponsorship opportunities in more detail. A Celebrate Plover Committee representative will be following up with you soon to personally invite your support.

We hope you will consider a sponsorship of Celebrate Plover and we look forward to you joining us in hosting this fun filled, family event!

Thank you for your consideration.
